

DNOW 2019 INFO

We are so excited about this weekend and about you joining us! Many people think that the gospel is lived out like mountain climbing and that once you get to the top, you've arrived. Been there, done that. Seen that. Heard that. We believe that it is so much more. There is always something new and exciting. Something life changing that is meant for more than just a one time thing or mountain top experience. Something that is meant to be discovered again and again. With that said, our hope is that the students who participate in this amazing weekend will have a better understanding of what the gospel is and also what it means. Their lives have a PLAYLIST on repeat and we pray students leave this weekend knowing exactly what kind of sound is amplified from their life!

HOST HOME INFO

“Host Homes” are families at HGBC that have agreed to open up their home for the weekend of Disciple Now. Here is some information for host homes:

-host homes should expect 6-10 students in the home along with 1-2 leaders in that group. If the number of students goes beyond 10, we will run it by you to see if that's ok. You have the freedom to say no to any number of students over 10!

-host home families are primarily responsible for simply opening up their home and if necessary providing a means of transportation for the students

-host home families are invited to attend everything that goes on at DNOW weekend but are not obligated to attend anything

-host home families are not required to provide any meals, but may provide snacks/drinks if they feel led. Students should have a decent supply of those goods.

-host home families are responsible for informing the students and leaders of household rules that need to be followed. The leaders can work with the host home family in enforcing the rules.

-host home families are not required to lead any Bible studies or small groups but can participate during these times if the small group leader is good with this.

Opening up your home can be such a blessing to you and a great way for you to serve our church. If you are a host home this year, we literally cannot do this weekend without you and will never be able to thank you enough for opening up your home to our students!

LEADER INFO

A leader at Disciple Now is typically a college or young adult that leads the small groups, helps with transformation, and builds relationships with students. We believe you have the single most influential voice in students lives this weekend. With that, here are several things in regards to being a leader:

-leaders are primarily responsible for leading small group discussions, helping with transportation, keeping the students somewhat in line, and building relationships with the students.

-leaders need to come to Disciple Now having already planned their small groups sessions. We wholeheartedly believe that the more you prepare the more effective you will be.

-we will get the sermon topics along with discussion questions to you before the event happens for you to look over/pray over.

-you have a great deal of flexibility with the sessions! Feel free to use your own creative ingenuity to map out your small group sessions. We are committed to providing you sermon outlines for each of the three talks and discussion questions but you can step outside of this and do different things as well!

-we will have a leader meeting **January 18th at 5:30pm** to discuss the event in greater detail and discuss any last minute questions!
